Ref: Manning's School Hurricane Beryl Restoration efforts

On behalf of the Manning's School Past Student Association, South Florida Chapter (MSPSA-SFL), I would like to express our deepest sympathies for those affected by the recent Hurricane Beryl. As many of you have already seen, the devastation at Manning's School is heartbreaking. Practically every building was damaged—roofs, windows, doors, electrical infrastructure, furnishings, and so many other components.

Referring to the letter from our school leadership dated July 8, 2024, from Mr. Steve Gordon, Principal, and Mr. Moses Chybar, Chairman of the Board of Management:

"To this end, we are calling on every member of the Manning's School family—alumni, parents, community leaders, businesses, and well-wishers—to come together and support our urgent recovery efforts."

The MSPSA-SFL stands in full support of our alma mater, our school leadership, staff, and students! With that said, as a non-profit 501(c)(3), we are ready to collect your tax-deductible donations to the school.
